action for entrants all Easter Weekend.**

49th AUSTRALIAN
VAN NATIONALS
BUSINESS OPPORTUNITIES

SHOW AND SHINE
SUNDAY MARCH 31ST
9AM - 1PM

The Van nationals will be looking for sponsorship to host the event, and is an excellent way to attract entrants to your services or business.

There will be many different type of sponsorships available with one to suit your business and budget. This may include Major sponsors, down to the sponsorship of events and trophies, No matter what, we can offer to tailor a package for you.

We will also be asking for donations for our charity auction on the Saturday night, By digging just a little, a local charity or worthy local cause will benefit from your generosity!

There will be targeted marketing leading up to the show, as well as a range of merchandise on sale at the event as well as trade stands promoting their products and services. Promotional material and goodies, are also needed for the entrants bags.

We will also be looking for local businesses who think they can help make this event a success, and be open for business over the weekend. We intend to have a list of these and a local mechanic available over the weekend.

We will need food vans on show day and Saturday night and will encourage local businesses to apply.

Past towns that have held the Nationals, have benefited enormously with many hosting a Nationals again in subsequent years. Many Nationals entrants revisit the areas at a later date, especially if they enjoy themselves.

Vendor and Sponsor stalls inside and outside will be available on Show Day.

By sponsoring and donating to this event you have the potential to attract over 500 new customers, who are not afraid to tell others about their trip.

We hope you can help make our Nationals a huge success!

Thanking you

Andy Farrell (Co-Ordinator)
